

UPCOMING INFORMATIONAL WORKSHOP

Please Join Us –
Monday, March 27th at 7:00 p.m.
for a **FREE Public Workshop on Peninsula Clean Energy!**

Join the City of Belmont as we provide a **FREE** public workshop on saving on your electrical bill with San Mateo County's official electricity provider, Peninsula Clean Energy!

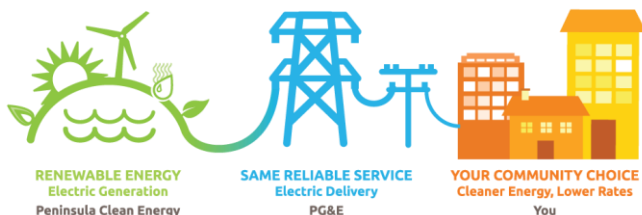

You may have seen a notice come to your home or business by US Mail and we'd like to provide you with answers to your questions! Representatives from Peninsula Clean Energy along with Belmont City Staff will be on hand to ensure you understand the program and **YOUR** potential savings.

What is Peninsula Clean Energy?

Peninsula Clean Energy (PCE) is San Mateo County's official electricity provider. Peninsula Clean Energy offers lower rates and the added benefit of two electricity options. With rates often 5% below PG&E's, PCE is giving San Mateo County residents more value and greener choices for their electricity needs.
